Dear Ehud and Nili,

First of all, I apologize for the belated response. It is been rather a tough month as I had to finalize a complex transaction in Europe which left no room for anything else.

Thank you for the material regarding Credit cards in Israel you provided me with.

We had an internal discussion with one of my peers who had been working and leaving in Israel for quite a long time and who is aware of the situation.

After such a discussion I understand that it would be a demanding and challenged goal that, I am afraid, we are not interested in and are not able to achieve due to several reasons.

If you don't mind, I will call you, Ehud, to explain the view within two days.

Kind regards,

Yakov

Dear Yakov,
I am acting on behalf of Ehud.
He tried twice to send you material concerning the reform of Credit cards in Israel, and presumably, haven't succeeded.
Please let me know if you have succeeded in opening the analysis.
warm regards,
Nili
